

Trucker Burns Feet in Crock Pot of Hot Water: Can He Get Workers Comp?

If a truck driver is injured just as he is getting ready to perform his first official duty of the day, is he covered by workers' comp?

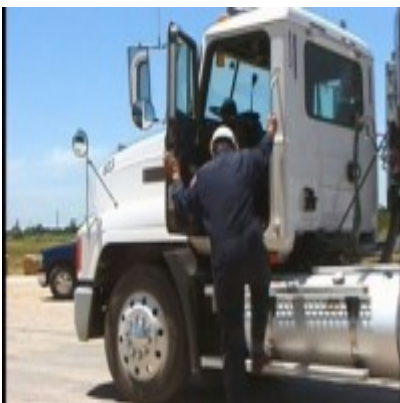

James Jarrell was training to be a truck driver for USA Trucks Inc.

He was scheduled to drive with a trainer. The night before, the trainer told Jarrell the top bunk in the truck's sleeping berth was his and that they were leaving early the next morning.
